## Family company Messer donates proceeds to children with cancer

The Bad Soden based industrial gases specialist Messer donates € 3.375,42 to “Hilfe für krebskranke Kinder Frankfurt e.V.”, a Frankfurt-based organisation that helps children with cancer.

In November 2017, the family company organised a Christmas market on Messer-Platz in Bad Soden for the third time. Kirsten Manakos, Tanja Sterzinger and Sandra Weier, employees of Messer, handed over a donation cheque in the amount of the proceeds from Messer’s Christmas market stalls to Dirk Kammertöns and Ingeborg von Sickingen, both employees of the Frankfurt-based organisation that helps children with cancer.
