Advisor Authority Reveals Financial Professionals Bullish About M&A [Infographic]

As stock markets rebounded from last year's bottom and hit new highs, more advisors and financial professionals may be looking to monetize their practices in the year ahead—while others look to make their practices stronger. Deal flow is expected to rise at rapid clip, and the majority of financial professionals in the RIA, wirehouse and broker-dealer channels expect M&A to positively impact their businesses. Check out this new infographic to learn more...
